Tessellate pulls the bottom

SINCE LAST WEEK

Last week you were skipping the category — missed in 3 of 3 pitches. This week it landed in all 3. That is the change, and it held.

WHAT WORKED

Perch Software was your strongest call — engagement 87/100.

THE PATTERN TO FIX

Value that lasts went unsaid in **2 of your 3 pitches**. One call is a slip; 2 is a habit.

WHAT TO DO DIFFERENTLY

Say value that lasts out loud before you move into the product. *Done looks like:* it appears in the first two minutes.
